HHP Services Overview

Hostel

The hostel was established in 1991 due to the urgent need for accommodation for people whom the local authority does not have a duty to accommodate. Initially we were able to accommodate up to 6 people but the hostel has developed significantly over the years and we are now able to accommodate up to 16 individuals in single rooms with a further 5 bed spaces for emergency overnight accommodation. As the only direct access hostel in the Harrogate District we accept referrals from any agency as well as direct referrals from individuals in need of accommodation. Each resident is allocated a designated support worker who works alongside the resident towards achieving appropriate move on accommodation.

Move on accommodation

Due to a substantial legacy left to HHP by a previous user of our services, we have been fortunate enough to purchase a 3 bedroom move on house. This enables us to provide extended support where an individual is not yet ready to move on to fully independent accommodation.

We are also hoping to acquire a further 8 self-contained flats which is a fantastic opportunity to extend the accommodation options that we are able to offer in the pathway from homelessness to independent living. Residents of these flats would be allocated a support worker as with hostel residents enabling them to live semi-independently knowing that a member of staff is close by should they be needed.

Springboard Day Service

The Springboard Day Centre was located at Wesley House in the ground of the Wesley Chapel in the town centre for over 10 years, it has now moved to Wesley Chapel Lower Hall which is a fantastic step forward for both the Wesley Centre and HHP. The service we are offering is currently restricted due to covid restrictions but will be expanded when we are able to safely do so.

SAFE

Our Service for Adults Facing Exclusion provides multi-agency support for people with multiple, complex needs, who have experienced entrenched homelessness and multiple exclusion from mainstream services.

Streetlight

We employ a Psychotherapist who is able to provide a flexible, innovative therapy service for clients of HHP services. This is a vital element of the services we offer as many of the clients using our services have multiple complex needs and the waiting lists and criteria for mainstream services is a barrier to these people receiving the support they need.

Clients

We work with a variety of individuals ranging from those in need of support through relationship breakdown or financial issues to individuals with multiple complex needs such as substance misuse, mental health issues and offending behaviour. Anyone using our services has the right to be treated with respect, fairness and dignity by staff, volunteers and others using the services.
