There are lots of fundraising websites you can choose from, but we suggest you use JustGiving. It's very easy to set up and has helpful tools to make your fundraising as successful as possible.

JustGiving will send your donations to us straight away, so all you need to do is get people to support you.

## Setting up your page

- Click "Fundraise for us" and follow the step-by-step instructions.
- Personalise your page by adding a photograph and, if you choose, explain why you've chosen to support us.
